

ST. LUKE'S EPISCOPAL CHURCH EVANSTON, ILL.

J-208

Evansston Ill. Apl. 12, 1946

Dear Friend -

Last year I used postcards of the
Sanctuary of St. Luke's ^{instead of Easter cards.} ^{but do not}
remember whether I sent you one.

This year I am using ^{none of}
the interior of the Church. It is
very beautiful - no card can do it -
justice and I think you will
like to have it.

I hope the Easter season will be
one of joy and gladness for you
and all your loved ones, both
here and in Paradise.

Affectionately your friend.
